It is with mixed emotions that I write this letter to you. I will be leaving the Enfield Public Schools at the end of this school year. I was offered an opportunity in my hometown and I have decided to accept their offer.

The past four years have been rewarding and I am so proud of the many successes that we have had at ESS. Your children have been a precious gift that you have shared with me each and every day. I cannot thank you enough for allowing me to be their principal.

Although I will miss Enfield Street School greatly, I know that you are in good hands. Mr. Drezek and the Enfield Board of Education will do everything in their power to ensure that ESS has someone who can lead the school to continued success.

I wish you and your child the very best.

Many thanks,

Katie Reeves
